The Milisée *Way*

Milisée was born from a love of beautiful details and the quiet magic that happens when people gather.

With two decades in hospitality and luxury events, we bring not only a collection, but a way of seeing—a sense for flow, atmosphere, and the art of hosting.

More than setting the table, we help shape the experience—offering guidance, design, and operational insight so your gathering feels seamless, meaningful and memorable long after the candles fade.

THE CREATIV CLUB X CARLYLE

For the Carlyle Residences launch, Milisée crafted a champagne tower of vintage coupes and styled a dessert table with its vintage silver collection. Every element was thoughtfully composed, resulting in a Pinterest-worthy, New York-style celebration of glamour and sophistication.
